

## History 1

History of the mesotamic people. Will form the better human of all the Homogenumus and will be fat human. It will trace know. I was to be formed as Homogenumus. It will be the first human that gives care to all who live. Will I be formed of knowledge and base of information to be known enemy of the Homoidae. Homoidae wasn't born human he was born monkey.

I will explain to you why is that.

It was formed as cyst from disambiguation and milk. I was to know why it was formed so vicious creature to eat me and my baby. I will find out why it ate everything and spit it out. I will form the new order and will it contain homoidae it was the Dea. I was to know the future of selfishness. I will form the deviate scale of a dinosaur. It will destroy the homoidae. I will buy myself a gun or a sword to destroy all homoidae.

It will happen at midnight when the air was floffy. Floffy will commence into an era of mist. I was to be found dead when I wrote this. It was formed as cyst of me and the homoidae. I will kill it for making my organism hybrid.

It was known to mankind that the planet I lived on will be destroyed  
by Homoidae. I will destroy the Homoidae by hand. I was born this  
way without a leg so I thought he ate it.
